

Dear Member of Foreign Language Honor Society:

Congratulations on your inductions into F.L.H.S. As a requirement of your continued membership, it is required that you fulfill a community service component as part of your membership.

Each member of F.L.H.S. must complete 10 hours of community service before your graduation from Pinkerton Academy. This community service requirement can be fulfilled in a number of ways. Some ideas include participation in Pinkerton's peer tutoring program, helping out at next Spring's induction ceremony, participation in PALS (Ms. Giangregorio-Vaccarezza, Mrs. Vaughn), the Elementary School Program (Mr. Frank), or any other service organizations in school or in your community. If in doubt about whether or not your hours qualify, or if you need ideas, please see me or email me.

The attached form may be used to record your hours of service. They should be verified and signed by an authorized person. Please return your completed form to me in room 50. I wish you a successful academic year.
